

GYPSY FARM FAIR VENDOR APPLICATION

RedBone Willy's is hosting the first Gypsy Farm Fair. Inspired by a passion to share our family's century farm with you along with our bridging local artisans and collectors similar to the boutique and general store items we carry at RedBone Willy's. This is a vintage inspired outdoor market.

RedBone Willy's is a juried event accepting vendors based on variety, originality, and quality of goods sold.

Vendor selection is designed to provide customers with not only the highest quality of vendors but a collection of vendors who compliment one another in such a way to create an experience similar to visiting our store, RedBone Willy's.

We are currently accepting applications from vendors specializing in vintage, antique, re-purposed, gypsy-spirited, and handmade items. Vintage inspired clothing and home decor is accepted into the market but in limited quantities.

Food vendors, chefs, gardeners, musicians, and artists are also invited to showcase their talents.

Vendor applications will not be considered if photos or links to online photos are not included with the application at time of submission. It is strongly recommended that photos showcase the vendors' ability to merchandise their goods. Close attention to detail is suggested. Booth availability is on a first come, first serve basis. We are accepting 100 vendors for this event unless we receive an overwhelming response, and we will consider adjusting.

We look forward to partnering with you to bring the vintage, gypsy experience to many! If you believe your business/trade would be a good fit for the farm fair, please continue by answering the application on the following page and sending it back to redbonewilly2020@gmail.com for review.

Once your application is submitted, we will review your application and contact you by email in 2-3 business days on whether you have been accepted. You will also be sent a PayPal invoice separately requesting your vendor fee to be paid in full.

Please complete the vendor application in its entirety to get started. We look forward to working together!
